Lowest price event is free.

Rules and Regulations

1. The Company named above (“Exhibitor”) shall be bound by these Rules and Regulations of World Triathlon Corporation (“Ironman”) and by such amendments or additional rules and regulations that may be established by Ironman.
2. Ironman reserves the right to accept or reject any application for any exhibit area for any reason Ironman deems appropriate. Applications are accepted on a first come, first served basis and are based on availability.
3. Rights of Exhibitor shall not be assignable to any other entity or person. Exhibitors shall not assign or sublet any part of the Expo space. Only the contracted exhibitor and products/services listed above and approved by Ironman shall be displayed/promoted.
4. Booth preference is not guaranteed. Ironman reserves the right to relocate space in the interest of a better showing of exhibitors or any other reason it deems necessary.
5. The Ironman Village Expos are promotional shows. Ironman must review and approve all activities, samples/products, and give-a-away items prior to the Expo. Direct sales and direct sales with product delivery in the Expo space are prohibited unless authorized in advance by Ironman.
6. Ironman will not be responsible for the safety of exhibits, exhibit material and/or Exhibitor’s merchandise against theft, fires, accident or any other cause before, during or after the Exposition. Although security personnel will be on duty during non-exhibit hours, it is expressly agreed and understood that all property of the Exhibitor remains the Exhibitor’s responsibility. The Exhibitor agrees to make provision for the safekeeping of its exhibit material, merchandise, etc., before, during and after the Exposition.
7. All exhibitors are required to obtain a general public liability insurance in the amount of one million dollars (\$1,000,000) per occurrence. Ironman shall be named as an additional insured on the general liability policy and Exhibitor agrees to provide to Ironman with a certificate of insurance naming Ironman as an additional insured for the expo dates upon request. Such insurance shall include coverage of the indemnification obligations of the Exhibitor under these Rules and Regulations. Each exhibitor is required to carry workers compensation protecting employees in accordance with the laws of the state in which the exhibition is being held. Nothing in this paragraph shall limit the amount of liability for which an exhibitor may be responsible.
8. Ironman reserves the right to remove Exhibitors and their accompanying exhibit material from the show in the event that an activity or presentation is deemed, in Ironman’s sole discretion, inappropriate or detrimental to the professional nature of the exhibition. Exhibitor must remove all exhibits and materials after the Exposition by the time provided by Ironman’s representative, and the Exhibitor must leave his space clean and free from all rubbish. No packing or dismantling of Exhibits will be permitted prior to the published tear-down time.
9. It is expressly understood and agreed by the Exhibitor that it will make no claim of any kind against Ironman, the host cities, including all their employees, directors, subcontractors, volunteers and associates for any loss, damage, theft, or destruction of goods, nor for any injury that may occur to itself or its employees while at the Exposition, nor for any damage of any nature, or character whatsoever, and without limiting the foregoing, including any damage to their business by reason of the failure to provide space for an exhibit or removal of the exhibit, or for any action of Ironman in relation to the exhibit or Exhibitor, and the Exhibitor shall be solely responsible to its own agents and employees and to all third persons, including invitees and the public for all claims, liabilities, actions, costs, damages and expenses arising out of or relating to the custody, possession, operation, maintenance or control of said leased space or exhibit, for negligence or otherwise relating thereto, and said exhibitor does hereby indemnify and hold harmless Ironman against any and all such claims as may be asserted against it.
10. Should any contingency interrupt or prevent the holding of the Exposition, Ironman will return such portion of the amount paid for space as may be determined to be equitable to Ironman after deductions of such amounts as may be necessary to cover expenses incurred by Ironman in connection with the Exposition. If for any reason Ironman determines that the location of the Exposition should be changed or the dates of the Exposition postponed, no refund will be made but Ironman shall assign to the Exhibitor, in lieu of the original space, such other space as Ironman deems appropriate and the Exhibitor agrees to use such space under the same Rules and Regulations. Ironman shall not be financially liable or otherwise obligated in the event the Exposition is cancelled, postponed or relocated except as provided herein.
11. Either party may cancel this contract on condition that written notice of such cancellation is received by the remaining party at least 31 days prior to the scheduled opening date of the Exposition as provided herein. If cancellation is made on or within 30 days of the opening date of the Exposition, Ironman will be entitled to retain 100% of the Exhibitor’s total contract obligation.

12. This contract shall be governed in accordance with the laws of the State of Florida. Any dispute or disagreement which may arise between the Parties in connection with either any interpretation of this contract or the performance or nonperformance thereof shall be settled first by mediation, before the American Arbitration Association, and if such mediation is unsuccessful, then by arbitration before the American Arbitration Association. Unless otherwise agreed to by both parties, any mediation or arbitration shall be conducted in the city of Tampa, Florida. The judgment upon any award rendered by the arbitration tribunal may be entered in any court having jurisdiction thereof, for the purpose of judicial enforcement.
13. Exhibitor understands that the events could be outside venues and that the Exhibitor is responsible for the safety of his/her exhibit during inclement weather.

The undersigned warrants that he/she has the authority to enter this contract. The application becomes a contract for space upon the approval and countersignatures of an authorized representative of Ironman. The acceptance of the payment, which accompanies the application for space, does not constitute acceptance of a contract. Application serves as invoice.
